

Palmer Public Library Summer Reading Program 2018

There are two ways to log your reading this year! You can log your reading online using Wandoo Reader, or you can fill out a paper log!

To log you hours online with Wandoo Reader:

Starting June 18th, head over to www.palmer.lib.ma.us, find the link to the program that matches your age or grade, and follow the easy instructions to register! We have programs for **ALL** age groups!

Starting June 25th, log into your account to start tracking your reading! Make sure to complete the challenges on the lower half of the page in order to qualify for prizes! After you have completed 12 days of reading, stop by the Youth Services Department at the Palmer Library to pick up free t-shirts for the whole family!

To log your hours on paper:

Starting June 18th, stop by the Youth Services Desk at the Palmer Public Library to register for the program.

Starting June 25th, mark each day that you read on the attached calendar, and then bring the calendar back to the Youth Services Desk at the end of the program. After you have completed 12 days of reading, stop by the Youth Services Department at the Palmer Library to pick up free t-shirts for the whole family!

All reading must be logged by Saturday, August 11th to be eligible for the grand prize! Winners will be able to collect their prizes in the Youth Services Department until August 24th.

Program is open to all library patrons!

If you have questions at any time, feel free to stop by or contact us!
